

CLASSIC ROSÉ 2023

THE OTUWHERO RIVER GIVES OUR WINE ITS NAME
Our wild, sea swept Otuwhero Estate is set at the edge of the Southern Ocean - where the ancient Otuwhero River runs through the lower Awatere Valley in Marlborough New Zealand.

VITICULTURE & WINEMAKING

We choose Merlot to make our Rosé because the grape delivers a broad spectrum of aromas and flavours - ranging from the classic strawberry to wonderful hints of red plum.

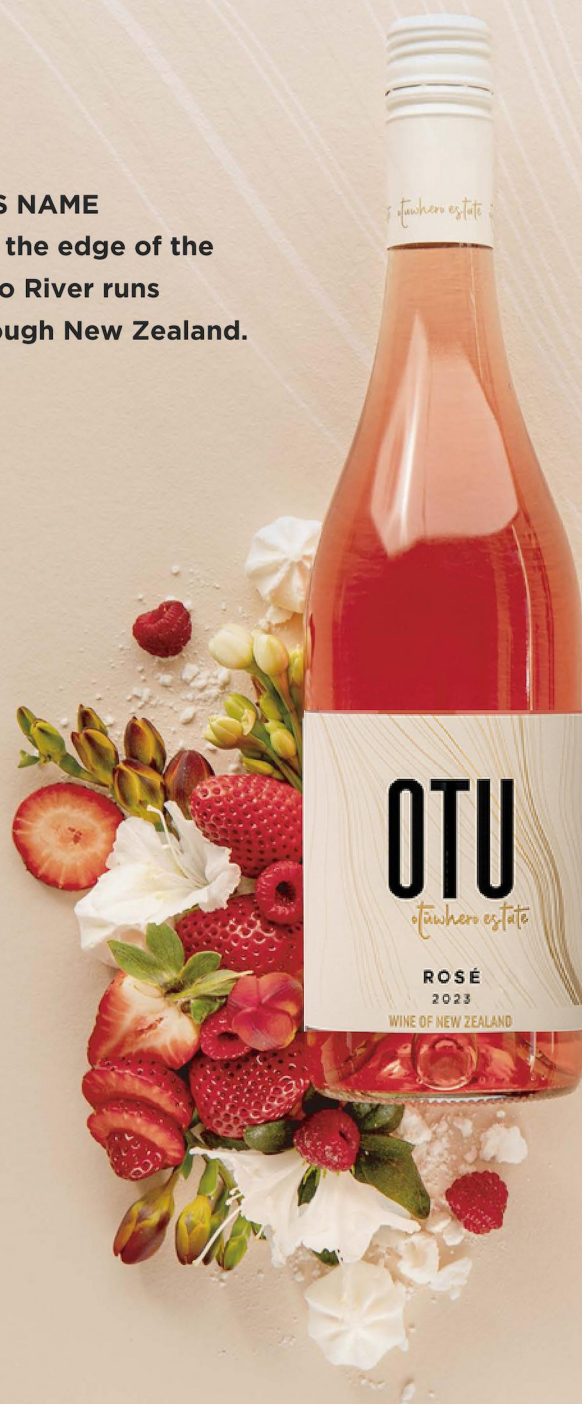

For this vintage, beautifully ripe Merlot grapes were gently crushed and passed to a temperature-controlled stainless-steel tank. The juice was then “bled” from the tank and we began a cool fermentation to retain all the bright berry flavours and crispness in the signature style of OTU Rosé.
